

To: California State Legislative Body

We the undersigned in response to the many unfounded and unreasonable arrests and prosecutions of innocent citizens do petition the following:

That the State of California pass a law requiring compensation for innocent defendants. When said defendants are found not guilty by a jury of their peers.

Damages to include but not restricted to lost bail, attorney's fees and costs, and lost out of pocket expenses resulting from prosecution of the innocent party.

Sincerely,

#	Date	Name	Address, City	Zip Code
